Dear Brothers and Sisters:

I'd like to take this opportunity to thank everyone that was at the July 17th membership meeting for hearing and voting to approve my request for a \$1000.00 donation for the 13th annual Dempsey Challenge fundraiser.

By supporting the Dempsey Center you are helping to ease someone's cancer journey. 100% of your donation goes to the Center where all services are free of charge to cancer patients, their loved ones and care partners.

Due to Covid-19 the Dempsey Center reimaged how they offered their services and created their virtual center, "Dempsey Connects" which is available to anyone who needs it. You have access to counseling for both adults and youth groups, nutrition and fitness consultations and classes, complimentary therapies as well as education and learning classes all to support the process of dealing with cancer.

I believe this organization makes a difference in the lives of those impacted by cancer through their programs, love and support that all cancer patients need to thrive.

Thank you for your support this year and for all the previous years you've supported this important cause.

Gratefully yours,
Cindy Lagerstrom

PS: I know how difficult things have been for everyone this past year but If anyone would like to make an individual donation you can access my personal fundraising page as follows.
